

RJNLE: Restorative Justice in Law Enforcement

Who We Are

Working through the lens of connection, we train and coach law enforcement (LE) agencies to use restorative justice standards internally-in their organization- and externally -with the community- to bring restorative opportunities to all people who work for and encounter law enforcement.

Why Choose Us

STARTED BY RETIRED AND FORMER LE OFFICERS

We understand the heaviness of law enforcement work

Consulting Expertise

We are committed to providing agencies with innovative RJ solutions that will help create a better internal working environment

Committed to RJ values/principles

Relationship, Respect, Responsibility, Repair, Reintegration
